

Key Information about Pupil Premium 2018-2019

What is Pupil Premium?

The Pupil Premium (PP) is additional funding given to schools. The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their more affluent peers. Schools should use this funding over time to diminish the attainment differences between PP funded pupils and other pupils.

The funding is allocated to schools for children from Reception to Year 11. The Government gives schools pupil premium funding for:

- Every child currently registered as eligible for free school meals
- All children eligible for free school meals at any point in the past 6 years (known as 'Ever6FSM')
- Children who have been looked after by a local authority
- Children who have ceased to be looked after by a local authority because of adoption, guardianship order, child arrangement or residence order
- Children of service personnel (Ever6ServiceChild)

Early Years Pupil Premium (EYPP) funding is available for children aged 3- 4 years old in order to diminish the difference in achievement between them and their peers.

What is the Purpose of Pupil Premium?

The purpose of Pupil Premium funding allocated to us is to have an impact on diminishing difference in attainment gaps which may exist between disadvantaged pupils and their peers.

Current Pupil Premium Rates for Eligible Pupils

Disadvantaged pupils	Pupil premium per pupil
Pupils in year groups reception to year 6 recorded as Ever 6 FSM	£1,320
