### **Egyptian Museum – Thursday 20 December – Year 5**

Dear Parents/Carers

During this half term the children in Year 5 have been learning about the Egyptians, museums and the artefacts that they contain. As a grand finale they have created their very own Egyptian Museum. We are very proud of the work they have done and we are sure that you will be too; therefore, we would like to invite you into school to look at the Egyptian Museum and the work relating to it.

The date is **Thursday 20 December** and you may visit the museum from 2-3pm.

When you arrive at the school please sign in at reception where you will be taken to the school hall.

We look forward to seeing you to show you the wonderful work of Year 5.

Thank you for your support.

Yours faithfully

The Year 5 Team
