Hope, Belonging, Respect and Tolerance

11 December 2018

To the parents/carers of children in Reception

Christmas Party

The children in Reception will be having their Christmas party on Thursday 20 December. Please send the children to school with party clothes in a named bag so they can change into them before the party.

If you would like to contribute food, please make sure that the food is vegetarian and does not contain nuts. We suggest food such as sandwiches, pizza, samosas, crisps, biscuits, cakes etc. If your child has specific dietary needs then please provide them with their own food that will not be shared.

Yours faithfully

Year Reception
