Hope, Belonging, Respect and Tolerance

19 November 2018

Dear Parents/Carers

Family Workshop for Reception – Communication and Language

How can you help your child communicate effectively?
What do you know about language development?

If you have these, or any other questions or concerns, or would just like to know more, we are sure our '**Communication and Language' Family Workshop** will help.

The Workshop will take place on Wednesday 28 November 2018, at 9:15 am and will be in the school hall. It will be led by Jan Stevens, who is the Local Authority's communication and language specialist.

Before Jan Stevens arrives you will have the opportunity to network with other parents and we will be discussing 'Golden Tickets'. You will also have the opportunity to fill out Golden Tickets for your children that we can then pass on to their class teacher.

This is a brilliant opportunity for you to come along to talk to Jan Stevens and the teachers about how you and your family can help your child with their communication skills.

Younger children are welcome to come along and we will also provide tea and coffee to enjoy as we chat.

If you are able to join us, please complete and return the tear off slip below.

Thank you. We look forward to seeing you at the workshop.

Yours faithfully

Gemma Sutter
Foundation Stage Phase Leader & Lead Practitioner
