Hope, Belonging, Respect and Tolerance

26 February 2019

Dear Parents/Carers

World Book Day 2019

<http://www.worldbookday.com/>

As a school we will be celebrating World Book Day on Thursday 7 March 2019 and we will be carrying out some exciting activities during the day. There will be a competition for the most eye catching poster of the classes favourite book's front cover, which will be created in class.

Children are able to come into school dressed as their favourite book character OR clothes from their culture. This can be as simple or as complicated as you like. If you are stuck for an idea, then please do discuss this with your child's class teacher.

Thank you for your continued support.

Yours sincerely

A handwritten signature in black ink that reads 'Nagindra Chungh'.
