Hope, Belonging, Respect and Tolerance

28 February 2019

Dear Parents/Carers of **Nursery children**

Parents' Evening gives you the chance to come into school and talk about your child's progress in class and in school generally with his/her teacher, and to decide how best to work together to support your child's achievement.

This term's Parent/Teacher consultations for **Nursery** will be held on **Wednesday 13 & Thursday 14 March 2019.**

- ✓ Appointments will be confidential and last 10 minutes. We encourage you to bring your child with you.
- ✓ During the meeting the teacher will explain your child's strengths and development areas, and how you can help with moving your child on in his/her learning. Your child's teacher will explain the amount of progress your child will be expected to make during the year.

Please ask your child's teacher for an appointment. If you don't pick your child up please see the teacher in the morning or phone the office and leave a message saying that you would like a Parents' Evening appointment.

Yours faithfully

Nagindra Chungh
