Hope, Belonging, Respect and Tolerance

Dear Parents/Carers

We would like to welcome everyone back to school. I do hope that you all had an enjoyable summer break, although it already seems a distant memory.

I would like to welcome the new parents and children that have joined us in Reception and into other year groups within the school. I would also like to say a special welcome to the new staff that have joined us this year.

Children have returned back to school with positive attitudes, behaviour and manners and have quickly settled back into school life.

We look forward to an exciting year at school and one that we know from experience will go very quickly. We look forward to seeing parents in the playground and during parent meetings. Please do not hesitate to discuss any issues you might have about your child/children with the class teacher. If you would like to speak to myself or the leadership team we are more than happy to assist you in anyway we can.
