*Hope, Belonging, Respect and Tolerance*

Welcome back after the Easter Break. The children have come back with positive attitudes and excited about their learning. I would like to say a big thank you to the parents for supporting the homework projects. The quality is amazing! The children were very proud of their projects as were their parents.

## **SATS Week**

This term is an important one for Year 6 in particular as they will be doing their end of Key Stage assessments. The Key Stage 2 SAT's take place during the week beginning Monday 13 May. **Please make sure that children taking their SAT's during this week are in school on time and every day. Please do not make any appointments during school times (e.g. dentist, doctor) for this week.**

**For Year 6 pupils there will be a breakfast club to support the pupils before they start their SAT'S. The breakfast club will start at 7.45am – 8.40am this will allow the pupils to ask any questions before the tests begin. I am sure the pupils will all do their best.**

We realise this is during Ramadan when some children may be fasting. We would very much appreciate your cooperation in encouraging the children to attend the breakfast club as, from experience, children who have had breakfast in school are more settled for the day ahead.

## **Parent Governor**

We have parent governor vacancies, if you are interested then pick up an application from the school office.

Volunteers need to be dedicated people who care about improving education, but they do not need prior board experience. It makes the role perfect for professionals and others looking to improve their business and leadership skills, give back to society and enhance children's futures.

Deadline for applications is Monday 13 May 2019.
