

Nursery Learning Journey

Week beginning 3rd June 2019

After the holidays our theme will be:

Pets

We will be learning the names of the different pets and how people look after them in their homes.

We will be watching videos, listening to stories, drawing and writing about pets, making pet baskets and cages, role-playing being at the vets, and talking about what pets we have at home or would like to have.

Please remember:

As we are closed for one week for half-term, please do not forget your blue bags on Monday 3rd June.

Thank you.

ECAT words of the week
