

# Nursery Learning Journey

Week beginning 19<sup>th</sup> November 2018

**Next week our theme will be:**

## Using Technology

We will be learning how to use lots of different technological toys. We will explore the CD Players and microphones, and use voice recorders and metal detectors. We will also play games on the interactive whiteboard, iPads and touch screen computers as well as programming Beebots to move.

**Please remember:**

To bring back your Technological Questionnaire to share your home learning with your teacher and friends.

## ECAT words of the week

Beebot

computer

iPad

## Learning game of the week:

Can you play a game on the CBeebies site and tell us what you have played.

## **Can you?**

Tell us about the different things you can use at home, such as a TV remote control, Xbox, mobile phone, iPad, and perhaps bring in a photo?
