

Nursery Learning Journey

Week beginning 20th May 2019

Next week our theme will be:
People who help us

We are going to be learning about people who help us this week. We will look at all the different roles and talk about the parts of their jobs. We will be getting involved in a number of activities such as matching the right equipment to the right job and solving puzzles.

We will also think about what we would like to be when we grow up and why?

Please remember:

Please spend time with your child to complete our home challenges. We love to share and celebrate your child's Golden Tickets!
