

Year R Learning Journey

Week beginning: 1st April 2019

Next week our topic will be:

Easter

In Special jobs we will be learning all about Easter in more detail. We will listen to the Easter story and then we will be going on an Egg hunt following instructions.

We will also be applying what we have learnt about Easter to our Writing. All of us will write about how Christian people celebrate Easter and the Easter story.

In maths this week we will be looking at all the learning we have done this term such as; adding, subtracting, sharing, time and doubling. We will be checking that we are all confident with these and doing lots of different Easter activities related to them.

Please remember:

To bring your child's book bag in so we can write in their reading log when we have read with them. We will also set them targets that you can work on with them at home.

Words of this week:

We will be recapping all the sounds we have learnt this term based on your children's needs.

Sounds of this week:

We will be looking at all the sounds we have learnt this term and recapping them to make sure we are confident with them.
