

Year R Learning Journey

Week beginning: 6th November 2018

Next week our topic will be:

Rhyme

After starting writing rally last week, this week we will be looking at rhyming words and developing our writing skills.

In maths we will be looking at 1 more. We will be developing our understanding of numbers and will be introduced to the addition sign.

As part of special jobs we will be learning about healthy eating. We will be sorting foods into healthy and unhealthy then making ourselves a healthy plate.

Please remember:

To come to school in a coat. Please also bring wellie boots into school and a waterproof jacket. We love learning outside, even when it is raining.

How you can help at home:

- ✓ This website provides some fun ideas to support your child in developing their fine motor skills.

<http://www.learning4kids.net/list-of-fine-motor-play-activities/>

- ✓ To continue working with numbers and adding 1 more, you could also play this game together:

<http://www.iboard.co.uk/iwb/Simple-Addition-Stories-721>

- ✓ Continue to practice the children's sounds and read your child's reading book with them as much as possible. Don't forget to ask the children about what they are reading to show that they understand.

Home Challenge

We have been talking about firework night. Over the weekend look out for fireworks in the sky at night and make a firework drawing, painting or collage and talk about staying safe.
