

Year R Learning Journey

Week beginning: 7th October 2018

**Next week we will be learning about:
Autumn**

This week we have talked about things we see in autumn. From our discussions, the children have decided that they want to make a home for squirrels in our outside area so next week we will be collecting things in order to make a squirrel's dray.

In maths we are going to be looking at ordering. We will be thinking about what order we do things in and will then be sequencing our days.

Please remember:

To come in and read with your children on a Friday morning.

Words of this week:

he she we

Sounds of this week:

ck e r u

How you can help at home:

- ✓ Please practise counting at home. Here are some songs to help engage your child.
<https://www.youtube.com/watch?v=OVLxWIHRD4E&list=RDOVLxWIHRD4E>
<https://www.youtube.com/watch?v=azIG0kLIlg8>
- ✓ Please read your child's book as much as possible throughout the week. Don't forget to ask the children about what they are reading to show that they understand.
- ✓ Continue to practise the children's sounds. The sounds we have learnt so far are: **s, a, t, p, i, n, m, d, g, o, c, k, ck, e, u, r.** (Phase 2)

You could play games with listening to the sound at the beginning of different words, bingo, flash cards or you could play this game together:

Home Challenge

Can you make an 'autumn' collage at home? Think about the colours you will use and the different materials you could use to show the different textures of autumn.
