

Year R Learning Journey

Week beginning: 10th June 2019

Next week our topic will be:

Princes & Princesses

In special jobs we will be designing and making our own prince and princess puppets. We will be developing our sewing skills to make these and will then be able to use them in discovery time.

In Writing Rally this week we will be learning how to write a plan for our puppet making. We will ensure that we have all the features of a plan and that we give clear instructions to make the puppets extremely well.

Maths this week will be all about place value. We will be exploring different numbers and will use dienes and rods to make these numbers. We will then use this knowledge of numbers to explore making different numbers using different resources from around the classroom.

Please remember:

To make sure your children bring hats if the weather is warm and sunny.

Every Child a Talker

Vocabulary of the week:

Home Challenge

Can you design and make your own castle? You could use junk modelling, play dough or you could paint it.

How you can help at home:

- ✓ Please make sure you try and read every day.
- ✓ Can you go to the library and find and prince and princesses stories to share with your child?
- ✓ If they are writing their own story please remind them to use their sounds, capital letters and full stops.
- ✓ Can you help your child count back from 20?
