

Year R Learning Journey

Week beginning: 11th March 2019

Next week our topic will be:

Pirates

This week we are going to be starting our topic all about Pirates. We will be using our WOW words to write descriptions of pirates in Writing Rally.

In maths we will be learning all about money.

We will start by seeing which coins we recognise and will then think about how we can use different coins to pay for different objects.

In Special Jobs this week we will be thinking about rhyming words and will be having a go about creating our own poems to perform to our friends.

Please remember:

To ensure your child is bringing their PE Kit in every Tuesday ready for our PE lessons in the hall.

Home Challenge

Can you do some junk modelling to make a pirate ship at home? You could also paint or colour a picture of one to bring in and show your friends.

How you can help at home:

- ✓ This video explains to your child the importance of healthy eating.
