

Year R Learning Journey

Week beginning: 13th Mary 2019

Next week our topic will be:

Julia Donaldson

In Writing Rally this week we will be learning the story of the Smartest Giant in Town. We will be writing the story remembering to use WOW words and joining words to make it more interesting. We will be revisiting subtraction in maths this week. We will be ensuring that we count our practical objects, dots or jumps on a number line accurately to ensure we get the right answer. We will also be developing our problem solving skills. In Discovery Time we will be developing a wide range of skills by have the opportunity to do activities linked to our book such as designing and making boats, writing a letter and measuring.

Please remember:

If you have any spare clothes at home that your child has grown out of, we would be very grateful to have them at school.

Words of this week:

oh old see

Sounds of this week:

OO

OW

Every Child a Talker

Vocabulary of the week:

tie

shirt

shoe

belt

giant

Home Challenge

Can you design a new house for the mice because theirs has been burnt down? You can draw it, paint it, collage it or make a model. Remember to label the different parts.

How you can help at home:

- ✓ To help learning the story, listen to the story along with your child: <https://www.youtube.com/watch?v=cfiPrA8E3qE>
- ✓ Can you find any rhyming words in books you are reading at home?
- ✓ When you are reading together remember to talk about the book with your child e.g. how the characters are feeling or what they think could happen next.
- ✓ Can you count how many characters George meets along the way?
