

Year R Learning Journey

Week beginning: 14th January 2019

Next week our topic will be:

Dinosaurs

Over the weekend we think we are going to be lucky enough to have a dinosaur visit our classrooms! In Writing Rally we will be thinking about WOW words to describe these visitors and then we will be writing all about them.

In maths some of us will be looking at ordering numbers to 10 and others will be looking at number bonds to 10 using practical resources to help us.

Our task in Special Jobs this week will be to make a dinosaur world collage. We will be working in groups so will have to cooperate with our friends.

Please remember:

PE day for Reception is Tuesday so please make sure your child is bringing their PE kit so they are ready to join in. Also, a lot of our children are still coming to school in buggies. Please can we encourage them to walk to and from school, it is better for their physical development.

Words of this week:

an big look

Home Challenge

Can you make your own dinosaur world collage at home remembering to use all the skills we have learnt in school?

How you can help at home:

- ✓ This website provides some fun ideas to support your child in developing their fine motor skills.

<http://www.learning4kids.net/list-of-fine-motor-play-activities/>

- ✓ Can you practise your phonics sounds at home? This website will help you with all the sounds we have learnt so far.

http://www.ictgames.com/dinosaurEggs_phonics/

- ✓ To practise counting back from 10.
