

Year R Learning Journey

Week beginning: 18th March 2019

Next week our topic will be:

Pirates

We will be carrying on our pirates topic in Writing Rally this week and we will be writing our own pirate adventure story. We will be using the WOW words we learnt about last week to make our stories more interesting. In maths next week we will be looking at doubling. We will be using practical resources to think about what happens when we double and then we will be writing and solving doubling number sentences. We are going to become artists in Special Jobs this week and look at Matisse's snail. We will then create our own collage of a different animal. In Discovery Time we will have the chance to apply these skills to make collages of pirates.

Please remember:

To fill out golden tickets to let us know all the great things your child is doing at home!

Words of this week:

How you can help at home:

- ✓ Can you play this pirate number game to support your child with counting and number recognition?
<http://www.ictgames.com/piratenumbers2.html>
- ✓ Can you make sure your child is secure with counting up to 20 and back down again?
<https://www.youtube.com/watch?v=OVLxWIHRD4E>
https://www.youtube.com/watch?v=srPkt_d4k_08
- ✓ Please make sure you are reading with your child every day and writing this in their reading logs.
- ✓ Keep working on those sounds, reading them and writing them.

Home Challenge

Can you draw or paint your own pirate and label them with WOW words, just like we have been doing at school?
