

Year R Learning Journey

Week beginning: 19th November 2018

Next week our topic will be:

Traditional Tales

We will be continuing our traditional tales with The Gingerbread Man. We will be making our own Gingerbread men and learning to write instructions using time words. In Special Jobs we will be learning about colour mixing. We will see what happens when we mix colours together and will be exploring how we can make different colours.

In maths we will be looking at 2D and 3D shapes. We will be looking at the properties of 2D shapes before moving into to learning to recognise 3D shapes in our environment.

Please remember:

To ensure your child does not bring sweets or nut products in their packed lunch as we are still having a lot of these in the lunch boxes. There are children in the school with severe allergies, please be considerate of this

Home Challenge

To read the story of the gingerbread man. Can you retell some of the story to your family and friends? Can you draw or act out parts of the story at home?

How you can help at home:

- ✓ This website provides some fun ideas to support your child in developing their fine motor skills.
<http://www.learning4kids.net/list-of-fine-motor-play-activities/>
- ✓ Play this gingerbread man maths game at home.
<http://www.topmarks.co.uk/learning-to-count/gingerbread-man-game>
- ✓ Listen to The Gingerbread Man story at home
<https://www.youtube.com/watch?v=slidHnMR1yE>
- ✓ To continue working with numbers and adding 1 more, you could also play this game together:
