

Year R Learning Journey

Week beginning: 26th March 2019

Next week our topic will be:

Chicks

Next week the chicks will be looking at the life cycle of a chick. We will be looking closely at how they change throughout their life cycle and then we will write information booklets about this. In maths we will be looking at time. First we will think about sequencing our days and discuss the order of things. Then we will be learning how to read and write the time to o'clock and half past. We will also be thinking about how the weather is changing and how this is affecting our outside environment. Alongside this we will be learning the names of the seasons and looking at the differences between them.

Please remember:

To label your child's uniform and PE kit. We have lots of jumpers left at the end of each day and some children are losing PE kits.

Words of this week:

Mr Mrs now

Sounds of this week:

ng

nk

Every Child a Talker

Vocabulary of the week:

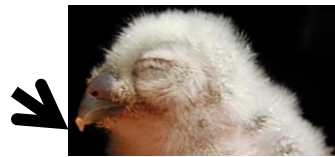

pipping

dander

Egg tooth

Home Challenge

Can you work with someone at home to make your own chick? You could draw a picture in your home learning book or you could use playdough or junk modelling.

How you can help at home:

- ✓ Watch a chick hatching on this video <https://www.youtube.com/watch?v=DHLH91zszXQ>
- ✓ Please practise sharing with your child. <http://www.topmarks.co.uk/learning-to-count/ladybird-spots>
- ✓ Learn about life cycles using this website. http://www.topmarks.co.uk/Flash.aspx?b=science/life_cycles
