

Year R Learning Journey

Week beginning: 24th June 2019

Next week our topic will be:

Space & Robots

In Special jobs this week we will be continuing to make our papier Mache planets.

We will be painting them and decorating them whilst following our plans.

We will be writing our own poems based on space and robots in Writing Rally this week.

We will begin by thinking of some rhyming words that link to our topic and will then put these into a poem.

In maths we will be learning about heavy and light. We will be comparing objects and ordering them before moving onto using scales to order objects by weight.

Please remember:

Sports Day is on 2nd July, please look out for a letter coming home with all the information on.

Words of this week:

love once where

Sounds of this week:

ai aw

Every Child a Talker

Vocabulary of the week:

How you can help at home:

- ✓ Please make sure you try and read every day.
- ✓ Can you go to the library and find some information books about space or robots?
- ✓ When they are making their robot can you talk to them about the shapes they are using?
- ✓ Can you help your child count back from 20?
