

Year R Learning Journey

Week beginning: 26th February 2019

After the half term break our topic will be:

Understanding The World

In Special Jobs this week we are going to be planting our own beans just like Jack from the story Jack and the Beanstalk. We are going to be thinking about what the seeds need to grow.

In Writing Rally we will be learning about 'People Who Help Us'. We will be thinking about people in our local community with different jobs who help us and our community. We will then be using our sounds, capital letters, finger spaces and full stops to write about these people.

Maths this week is all about shape. We will be reminding ourselves of the names of different 2D and 3D shapes and will then move onto discussing their properties. We will also have some tricky shape problems to solve.

Please remember:

We have been discussing internet safety at school; please can you ensure you are monitoring the games your children are playing and the videos they are watching as some children were discussing inappropriate videos and games.

Home Challenge

Can you read the attached story of Jack and the Beanstalk and then draw a picture of your favourite character with some labels?

You could also plant your very own bean and take a picture to bring in and show your class.

How you can help at home:

- ✓ There are lots of versions of Jack and the Beanstalk online. Here is one that we like
https://www.youtube.com/watch?v=fN_C-eGzEEs
- ✓ Remember to keep learning the key words. Your child could teach you the actions we use in class.
<https://www.youtube.com/watch?v=OVLxWIHRD4E>
https://www.youtube.com/watch?v=srPkt_d4k_O8
- ✓ Keep working on those sounds, reading them and writing them.
