

# Year R Learning Journey

Week beginning: 28<sup>th</sup> January 2019

## Next week our topic will be: All Around the World

In Writing Rally we are going to be writing a recount of our trip to the aquarium. We will be thinking about all the interesting animals we saw.

Then we will be using time words and feeling words to write all about our exciting day.

We are going to be Scientists in Special Jobs this week by testing lots of different materials to find out which one would be best to make our own aquariums with.

Maths this week is all about weight. We will use balance scales and measurement scales to think about ordering objects. We will also be developing our understanding of the language 'heavy' and 'light'.

## Please remember:

To name your child's jumpers. We are having a lot of jumpers getting lost at the moment so please ensure you name them so we can help you find them.

## Words of this week:

put very with

## Sounds of this week:

ow oa

## Home Challenge

Can you make a Chinese lantern that you can use to celebrate the end of the Chinese New Year period? You can make one using paper or draw a picture of one.

## How you can help at home:

- ✓ Please make sure you are trying to read with your child every day and recording it in their reading logs.
- ✓ Join Mr Maker in getting creative at home.  
<http://www.bbc.co.uk/cbeebies/shows/mister-maker>
- ✓ Work on counting back from 20 using this fun video.  
[https://www.youtube.com/watch?v=srPkt\\_d4k\\_08](https://www.youtube.com/watch?v=srPkt_d4k_08)
- ✓ This video will help you make your Chinese lantern.  
[https://www.youtube.com/watch?v=CeZK\\_YGmuZn0](https://www.youtube.com/watch?v=CeZK_YGmuZn0)
- ✓ Practice recognising your sounds that are in the middle of your reading log. Make sure you do the actions to help!
