# How can you help your child at home?

Below are some suggested activities you may like to try with your child.

## How to be a writer

What sounds can you hear at home?

Write a poem about the sounds you can hear.

## How to be a scientist

Can you create shadow puppets?

How many light sources can you find?

### Ways to support your child:

Make sure you attend school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
