

Year R Learning Journey

Week beginning: 7th October 2019

Next week our topic will be:

Rainbow Fish

In our special jobs session this week we will be learning the story of The Rainbow Fish. We will be acting out the story using masks. We will also be using music and dance to tell the story of The Rainbow Fish. In discovery time we will be learning about colours and colour mixing. We will be making repeating patterns using colour. In maths we will carry on with our counting to 10 and recognising numbers.

Please remember:

To bring in PE kit for the Tuesday PE session. Make sure it is in a named bag and all the clothes are named too.

Words of this week:

fish colour rainbow

Sounds of this week:

t p

How you can help at home:

- ✓ Practise name writing with your child.
- ✓ Help your child recognise their own name at home.
- ✓ Please read with your child as much as possible. Talk about the front cover first; what do the children think the story might be about? Then talk about the pictures before you read the words. What can you see? What do they think might happen next?
- ✓ When you are walking to school, can you practise counting to 10? Can you practise counting to 20?

Home Challenge

Can you bring in objects that start with the sound p and t? This will help us in our learning of phonics.
