How you can help at home:

- ✓ Practise name writing with your child often.
- ✓ Help your child recognise their numbers up to 20 and beyond.
- ✓ Please read with your child as much as possible. Talk about the front cover first; what do the children think the story might be about? Then talk about the pictures before you read the words. What can you see? What do they think might happen next? Search for the keywords learnt to date. This week's keyword is 'we.'
- ✓ When you are walking to school, can you practise counting to 10? Can you practise counting to 20?
- ✓ Watch the story of 'The Rainbow Fish.'
