

# Year R Learning Journey

Week beginning: 6<sup>th</sup> January 2020

Next week our topic will be:

## Dear Zoo (wild animals)

We will be learning about 'Dear Zoo' and all the animals we meet along the way. As part of our special jobs the children will be thinking about the animal face they would like to make and also moving to animal music. In maths we will be looking at counting carefully and adding 1 more. In phonics we will recap all our sounds to date s a t p i n m d g o c k e u r h b f and introducing 'l' leg lap lip and 'll' bell full till' where you find this sound at the end of words.

## **Please remember:**

School opens Monday 6<sup>th</sup> January 2020. Also remember to bring a PE kit with your child's name on the bag as we will now be getting changed every Tuesday morning and taking part in physical exercises in the hall.

## Words of this week:

Wild animals, camel, elephant, lion, giraffe, monkey, snake, frog, dog

## Sounds of this week:

l ll

### Keywords:

Recap all keywords l, the, no, go, into

## **How you can help at home:**

- ✓ Continue to practise name writing with your child.
- ✓ Help your child recognise logos/signs around their environment such as Asda, Disney, etc
- ✓ Please read with your child as much as possible. Talk about the front cover first; what do the children think the story might be about? Then talk about the pictures before you read the words. What can you see? What do they think might happen next? Search for the keywords!
- ✓ When you are walking to school, can you practise counting to 10? Can you practise counting to 20?
- ✓ Watch the story of 'DEAR ZOO.'

## Home Challenge

Please keep a diary of the template that was sent out the week before the children broke up. Can you possibly learn about wild animals that the children can name and listen to the story 'Dear Zoo.'

Draw a picture of your favourite wild animal and say why?
