## Best Wishes to Everyone

May we take this opportunity to thank you for all your support this term, the children have all worked so hard and we are pleased with their resilience and commitment to school. Thank you to those parents that attended the church and watched the children perform their nativity, it was an amazing afternoon.

We would also like to take this opportunity to wish those of you who celebrate, a very happy Christmas and a joyful New Year, as well as have a peaceful break and hope that you enjoy spending some time with your families.

We look forward to seeing all the children relaxed and ready to learn in the New Year. Enjoy the holidays.

Nagindra Chung - Head Teacher

thank  
YOU

A massive THANK YOU to West Itchen Community Trust who were kind enough to pay for every child in the school from Nursery to Year 6 to enjoy the pantomime Beauty and the Beast. We had performances in school and Year 5 were lucky enough to go and watch the Southampton City College performance. The children absolutely loved it and it was amazing watching all the children engaged in a live performance. Thank you West Itchen Community Trust, we could not have done it without your kind donation and hard work in helping us organise everything. Ask your children all about it to hear about the songs and dances they enjoyed.

Poppy Appeal

Thank you to all the children and parents who so kindly bought poppies. We raised £29.24.

Our Christmas Jumper day and church collection has raised £254.21 for our local homeless charity. Thank you to everyone who donated to such an important part of our community.

We raised an amazing £502.44 for Children in Need. Well done Arcadia for winning the house competition.

## Christmas Lunch

The children thoroughly enjoyed their Christmas Lunch on Wednesday. Thank you to all the catering staff for a wonderful meal and thank you to Mrs Chung for being a great helper.

After school clubs will be starting on January 6<sup>th</sup>. You should of received letters confirming which clubs your children have places in.

We would like to remind parents to make all, non urgent, medical and dental appointments outside of school hours. Taking your child out of school during the school day disrupts their learning.

Medical Appointments
